OUR PARTNERS

All just moments away from your doorstep.

Eden

At LINE Developments, our projects are strengthened by partnerships with leading experts across construction, design, engineering, interiors, marketing, and technology. Each collaboration is carefully chosen to ensure seamless execution, long-term quality, and developments that meet the highest industry standards.

Exceptional developments start with the right partners. Through close collaboration with industry leaders at every stage, LINE Developments delivers carefully executed projects that reflect consistency, smart planning, and a commitment to lasting quality.

Our Projects

Our portfolio reflects a diverse range of carefully selected developments across Sheikh Zayed and 6th of October, spanning premium residential communities, upscale districts, and integrated lifestyle destinations.

Each project is strategically located within well-planned urban areas, offering strong connectivity to major axes, essential services, and key landmarks. With a consistent focus on thoughtful planning, quality execution, and long-term value, our developments cater to both refined living and smart investment, creating balanced communities designed to stand the test of time.

OUR PROJECT

Life should feel both lasting and modern.

Elysium philosophy

Elysium brings the philosophy of Timeless Living, Modern Soul to life

Life should feel both lasting and modern. "Timeless Living, Modern Soul" is the idea that shaped elysium story, from the architecture and facades to the green spaces and facilities integrated into the community.

The timeless side means your home is built to endure, with designs that remain lasting through the years.

The modern soul reflects today's lifestyle, offering smart technologies, facilities, and vibrant spaces that create a living experience that grows with you, not just for today, but for the future you imagine.

Strategic Location

Every detail within the community is made to elevate residents' lifestyles.

MASTER PLAN

Our master plan reflects innovative design and sustainable growth

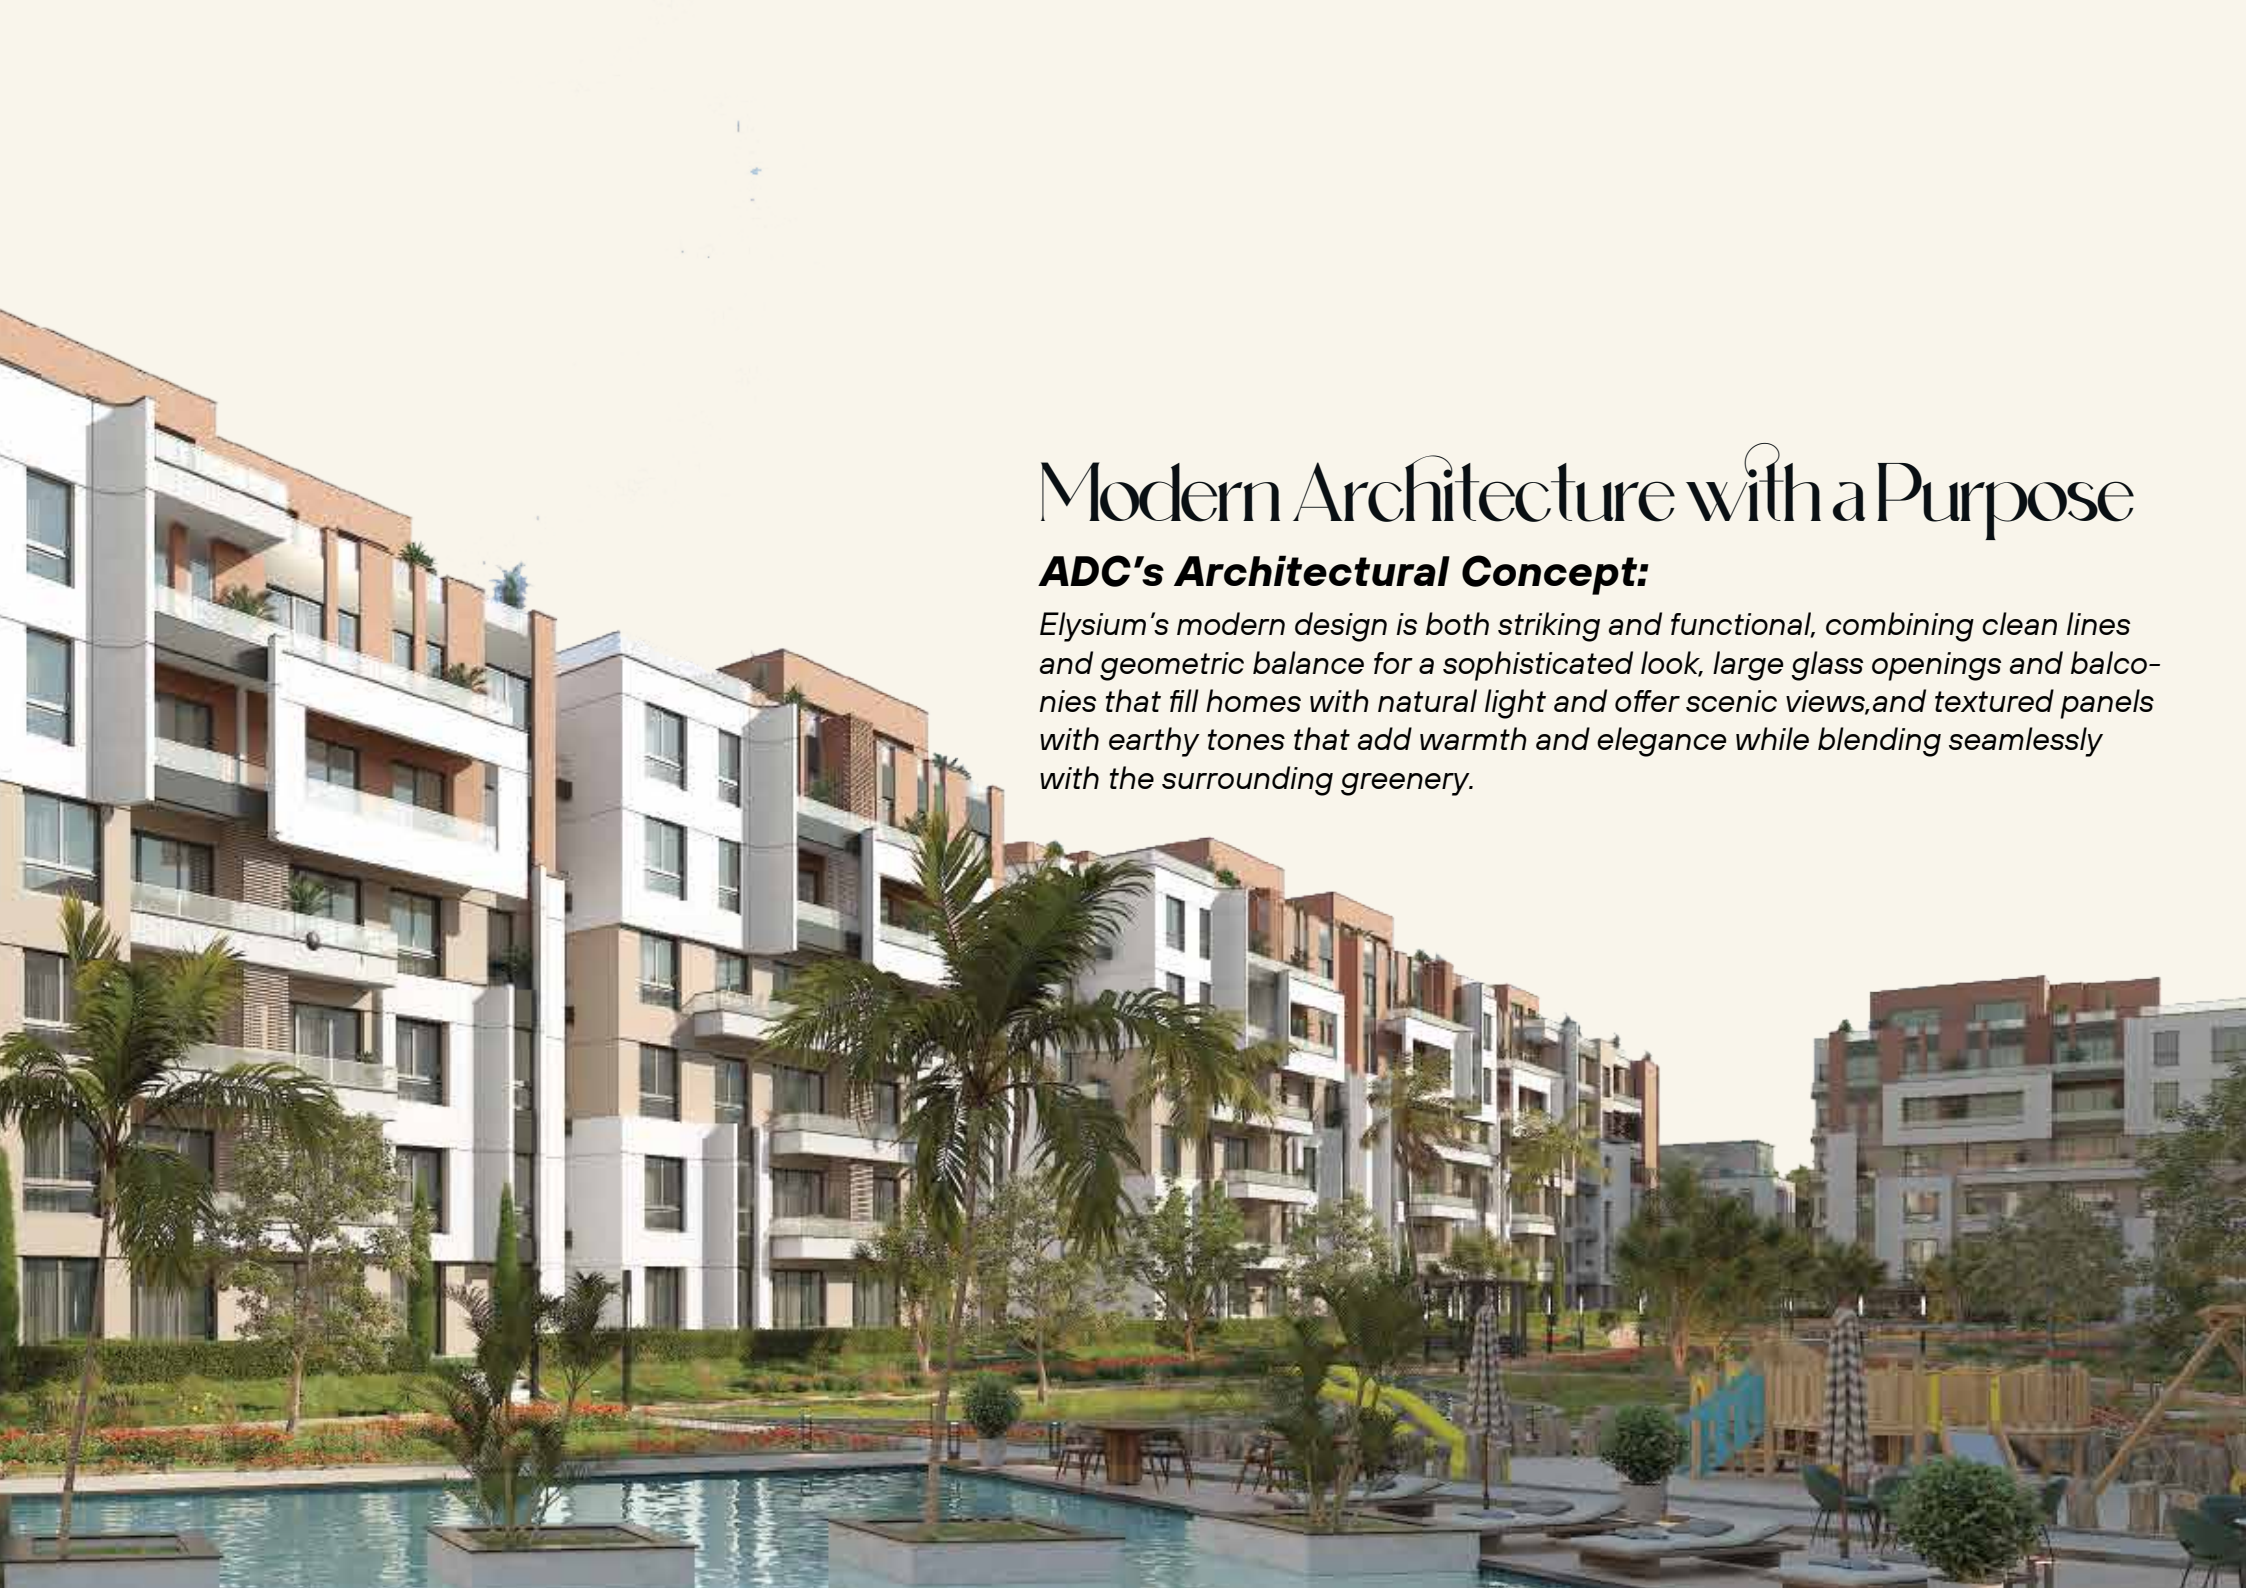

Future Focus

To set a new benchmark in the Egyptian real estate market by creating sustainable, smart communities where innovation, nature, and design redefine modern living.

What We Stand For

LINE Developments is dedicated to creating integrated and lasting communities in West Cairo. We design and deliver smart, sustainable, and modern living spaces enriched with essential facilities that provide a complete gated community experience for families and individuals. Our top priority is to fulfill our clients' needs through innovation, quality, and a commitment to enhancing everyday life.

A modern multi-story apartment building with a swimming pool and landscaped garden. The building features a mix of white, grey, and terracotta-colored panels, large glass windows, and balconies. In the foreground, there is a swimming pool with a wooden deck, lounge chairs, and a small playground area. The garden is filled with various trees, including palm trees, and colorful flowers.

Modern Architecture with a Purpose

ADC's Architectural Concept:

Elysium's modern design is both striking and functional, combining clean lines and geometric balance for a sophisticated look, large glass openings and balconies that fill homes with natural light and offer scenic views, and textured panels with earthy tones that add warmth and elegance while blending seamlessly with the surrounding greenery.
