HAP AT A GLANCE

Since its inception in the 1990's, Hassan Allam Properties [HAP] has carved an enviable niche for itself as an exclusive boutique developer, building intimate communities where families always come first.

Originating as a trusted family-run business passed down through three generations, HAP draws on 80 years of development expertise to master the equation of private luxury and inviting hospitality going beyond just building homes.

Driven by a community-centric vision and a passion for individuality, the company boasts a wide diversified portfolio of first-class residential communities and vacation homes catering to families in search of exclusive experiences and private seaside getaways throughout prime locations in Egypt.

Today, HAP prides itself as a leading real-estate developer in partnering with leading local and global names in the industry to transcend local boundaries, bringing its unique success formula to the region by transforming infinite landscapes into dream-like realities where families come together and homes come to life, while delivering the highest of standards that it's known for.

A WORD FROM VICE CHAIRMAN & CEO

“There is no greater pleasure than crafting family-centric communities where harmony and exclusivity translate into everyday life.”

For three consecutive generations, Hassan Allam’s family attained a proud heritage in crafting exclusive communities where families come together to enjoy the finest luxuries of life. Starting from lifetime unions to new births, our handpicked communities exclusively grow in prime locations, welcoming neighbors who would soon form lasting friendships. The family-like ties and hassle-free lifestyles that bind them together add a whole new dimension, not only to the value of our lifetime properties, but also to the true essence of life. Welcome to Hassan Allam’s circle of trust, where exclusivity, charm and harmony are synonymous with everyday life.

From our family to yours,

Mohamed Allam
Vice Chairman & CEO

SWANLAKE WEST OVERVIEW

Spread over 173 feddans, SLW is master-planned by the renowned EDSA, SLW was created to encompass four breathtaking residential villages, seamlessly spread out across varying elevations, taking advantage of the land's natural topography and boasting the project over upper and lower plateaus. SLW includes dramatic topography, with an upper plateau that sharply falls 30-20 meters in the center of the site to meet the lower grades on adjacent roads. The upper plateau, especially on the southern part of the property, enjoys uninterrupted views towards the Pyramids.

Masterfully curated by the reputable LW, who is an award-winning consultant, the designers of CITY WALK Dubai. Each residential village speaks out with unique character, featuring modern seamless sharp clean lines reflecting resort-inspired color schemes and luxurious comfort; collectively representing a unified sense of character and aesthetic naturally blending materials and earthy color palettes to organically infuse and integrate with SLW's outdoor living.
