GRAND SELECT CONCEPT

SUNRISE GRAND SELECT

For discerning guests seeking the pinnacle of luxury and tranquility, we proudly introduce our Grand Select Concept, replete with premium privileges and bespoke services, promising a holiday experience that transcends even the loftiest expectations. Each luxuriously designed Grand Select Resort adheres to the exceptional Premium All-Inclusive Concept, ensuring that our guests partake in the utmost excellence.

For guests seeking a heightened level of opulence, we offer the exclusive Posh Club Concept upon booking selected suite categories and our lavish Royal Villa.

MERAKI

Meraki, a term derived from the bohemian essence of Greek, embodies a profound philosophy - 'The art of infusing soul, love and creativity into everything one does; to imbue a piece of oneself into each endeavor.' The three main pillars defining “Meraki” form the very foundations upon which Meraki Resort was conceived. In 2018, “Meraki”; the concept, was brought to life in Hurghada through Meraki Resort. Being one of a kind in the area and targeting free-spirited adults only, the resort became a favorable destination to many. The year 2022 unveiled the much-anticipated arrival of its second chapter, Meraki Resort Sharm El Sheikh, imprinting the city’s facets with the boho-clubbing nature and further touch of luxury.

UNIQUE CONCEPTS

After a noteworthy successful period spanning over two decades during which we have unwaveringly upheld our commitment to excellence, setting new benchmarks in the realm of hospitality, we are thrilled to announce our latest endeavor a groundbreaking ultra-luxury brand. This remarkable creation is poised to redefine luxury, elevate opulence within the hospitality industry, and propel it to unparalleled heights.
