Corporate mission

“Ajna Developments aims at redefining the conventional idea of spaces by creating innovative places to keep. Our vision is to explore Egypt’s most beautiful destinations and transcend them to curate innovative and sustainable communities that redefine the future of living. We aim to provide effortless, serene tranquility, exotic shopping centers, and everything in between to live the best, sublime life”

Corporate Vision

“Ajna’s mission is to introduce an innovative criterion that would set the benchmark for integrated living, one in which home, its experience, and overall value exceeds expectations. Ajna Developments aims to curate exclusive, unique human experiences to add luxury and exciting flare to your everyday life. We thrive to provide our residents and guests the best that life has to offer by elevating the quality of life”.
