## About Beta Egypt

BETA Egypt for Urban Development, is a premier real estate developer in Egypt founded in 1993, with the aim to create well-integrated residential communities that cater to Egypt's emergent market demand.

Our projects focus on innovative living solutions that prioritize the needs and aspirations of our clients.

With our deep understanding of the market, Beta Egypt continues to contribute to the real estate sector through its versatile portfolio of projects spanning the West and East side of Cairo.

## About Beta Egypt

Throughout this journey Beta Egypt has developed 9 residential and commercial projects in addition to Beta Club, all of which serve our 15K residents by providing the entertainment and convenience of a modern lifestyle. Our portfolio includes but is not limited to Beta Gardens, Beta Greens, Golf Residence, Gold Corner Mall and Beta Sporting Club in West Cairo, and Beta Greens in Mostakbal City.

## Word from the Chairman

For over 30 years, our determination has empowered our growth and success.

Our ability to collaborate with a talented team who share a strong passion for BETA Egypt has always been our key motive for success.

As we build forward, our dedication remains firm: to deliver unparalleled value to our partners and to ensure substantial returns for our stakeholders. Every project we embark upon is an opportunity to enrich our communities and to offer our customers transformative investment prospects.

Together, let's continue to redefine excellence and nurture communities where everyone thrives.

# Mostakbal City

By acknowledging the power of nature and its healing effects on people, Mostakbal City was planned to surround families with green open spaces to reduce stress, promote health benefits and foster active social interactions in a verdant environment. Stemming from an entrenched belief that the future lies in sustainability — of both communities and future generations—, the city adopted an authentic environmental approach that can best help individuals make conceptual connections between economic prosperity, wellbeing and benefits to the society.

Designed as a smart city with a self-sufficient nature, Mostakbal City's vision comes to life through the establishment of an administrative structure that operates and manages every detail of the development. By adopting the latest in intelligent technologies, the city provides smart communication between residents and all services available through a mobile application for easy parking, e-payments and streamlining public transportation on par with international mega cities around the world.

# Mostakbal City

Strategically nestled in a unique spot at Cairo Suez Road , fringed by bustling cities such as Madinaty, El Shorouk, Cairo New Capital and New Heliopolis, Mostakbal City can be easily accessed via the Regional Ring Road, the Middle Ring Road and Cairo Suez Road. Offering easy access to Egypt's top-educational institutions such as, the American University In Cairo and Road 90's lively happenings, providing direct access to New Cairo Capital's fast train station and International Airport.

The city also enjoys a strategic location just 45 minutes away from Al Ein El Sokhna.
